From the Editor

Hi everyone,

It looks like the Hope Island Cup race went well and congratulations to the winners. This magazine is a bit short on articles due to this race meeting being early in the month and not much time to gather information.

See you on Sunday , Elizabeth

DEADLINE

Articles for the next Magazine need to be received by the Editor before September, 30th 2011. Articles received after this date will be included in the following Magazine.

From the PR's Desk

Great to see the Fly ball team out and entertain us with their great performances. The dogs are so enthusiastic and the owners no less. Hannah and Bob from the Natural healing and Massage Clinic (for Humans and Pets) came out to hand out some brochures and also brought us a generous treatment voucher, to be raffled of at our next meet. They will be at our September meet to ease your and you pets aches and pains. I might be the first in line for a neck and shoulder massage (!!!).

We had an inquiry from the Animal Welfare League re our Lure Coursing. The manager thinks, he has some dogs in the shelter, that could benefit from Lure Coursing, especially a Pharaoh Hound and a Saluki cross. So he will try to be at one of our next meets to see what can be done.

Please don't forget our Suggestion box, it will be near the Secretary's desk again at the next meet. You can write anonymous or leave your name, if you wish for a personal reply.

See you all out there
Sabine

From the Chief Judges Desk

Firstly, Congratulations to all the winners and all competitors on Hope Island Cup day. The scores were very close, that shows that we truly had the best of the best out there. Despite the heavy rain the day before, our special day was blessed with beautiful sunshine, a clear sky and a nice, soft ground.

Thanks also to our 3 judges of the day, Carol, Susan and Terry for a great job. Special tanks also to our Racing Secretary and all the countless helpers that made a smooth running of the day possible.

This was the twenty first Hope Island Cup run, seems like yesterday, that we were all excited and nervous about organizing the first official Cup competition in 1990. Looking at the names on the trophies - so many great runners have gone before, so many now and so many to come. It is always a very emotional day with many memories.

Also I would like to thank our patron for presenting the trophies on the day

See you all out in the field
Sabine

This is the story of a dog known as JOSEPH C. DINGALING. He was a fine, obedient dog, well loved by his owners. They trained him and showed him successfully and he soon became a champion. He was then known as CHAMPION JOSEPH C. DINGALING. They then trained him in obedience and very quickly finished his Novice and Open titles. He was then known as CHAMPION JOSEPH C. DINGALING, CD, CDX. He continued his winning ways and was able to finish his Utility and Tracking titles. He was then proudly called CHAMPION JOSEPH C. DINGALING, CD, CDX, UDT.

With all this winning, he was soon in great demand for stud service, and was doing quite well until, unfortunately, he contracted a venereal disease. He was then known as CHAMPION JOSEPH C. DINGALING, CD,CDX, UDT, VD.

When the AKC heard about the venereal problem, they revoked his championship. He was then known as JOSEPH C. DINGALING, CD, CDX, UDT, VD. When the obedience department of the AKC heard about it, they revoked all of his obedience titles. Then he became known merely as JOSEPH C. DINGALING, VD. Sad to relate, the VD took away his dingaling and he is now called JOE-SEE.

Origin unknown

Thank you to our sponsors for their support in 2011

Helpful Hints

A hint for new puppy owners -

If your dog is not yet housebroken, accidents will happen. To remove a puddle from a wool carpet, wipe up as much as you can and then pour ordinary table salt on it. Cover the whole spot and put plenty on; about half-inch high. Leave on until the spot is thoroughly dry. Takes about a day or two, depending on the amount of liquid that is there.

When it is dry, take your vacuum cleaner and pick up the salt. Result— no trace of the spot whatsoever, and what's more—no ODOUR
